

Chaperone Safety Contract

_____ (NAME OF OFFENDER) agrees to the following rules designed for child protection during church activities:

PREVENTION:

1. The offender will never be with any minor without the supervision of an approved adult chaperone who is aware of his offenses and understand the prevention rules.
2. The offender will not participate in any child/youth programs.
3. The offender is never responsible for babysitting or supervising minors.
4. The offender will not be allowed to video tape or photograph any portion of the activities attended.
5. The offender will never enter the bathroom where a child is present, nor will the offender allow a child to enter the bathroom while he is present.
6. Alcohol and drug use are completely and strictly prohibited.
7. The offender will not be placed in a situation that church members/family members, etc., are in potential harm for being unaware of the offense history of the offender.

INTERVENTION:

In the event that prevention measures fail, or the offender does not appear to be following the rules outlined above, the designated chaperone will immediately separate offender and child by:

1. Requesting that the offender immediately leave

In the event of re-offense, the designated chaperone will immediately:

1. Immediately seek safety for the child
2. Notify law enforcement

Other more specific rules that apply to this offender based on offense pattern, grooming behaviors and known high risk factors:
